

The fact is we will never have a fair and balanced budget or a more equitable tax system while the well off and well connected are allowed to control Members of Congress.

Mr. Speaker, this is not the Republic the Framers intended. When they created Congress and when the people approved the 17th Amendment, appointing themselves the electors of the Senate, they wanted to ensure government was accountable to the people it serves. The more we undermine campaign finance laws, the further we get from that fundamental principle.

EVEN ONE MORE DAY IS TOO LONG

(Mrs. DAVIS of California asked and was given permission to address the House for 1 minute.)

Mrs. DAVIS of California. Mr. Speaker, this shutdown has affected more than just the government. We all need to understand that.

Yesterday, I learned that a veteran-owned small business in my district that contracts with the Navy has had to furlough its workers; but because they are not Federal employees, they won't be receiving backpay when the government resumes full operations. The lost pay will have a terrible impact on these employees and their families, but their absence is also seriously affecting the financial well-being of the small business that employs them.

Let's think about this: How often is this happening throughout the country? And you begin to see how San Diego, alone, is losing \$7 million a week during the shutdown. How much longer are we going to play political games when everyone is guaranteed to lose?

For our communities, for our economy, and, most of all, for those who are out of work, even one more day is too long. Let's fund the whole government and end this shutdown.

"CRUZ CONTROL"

(Mr. JOHNSON of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Georgia. Mr. Speaker, I deeply regret that the Republicans have shut down the government. They have shut the whole thing down. Their 2-year-old plan to shut down the government over the Affordable Care Act is as harmful as it is fruitless.

However, all is not lost. The Republican shutdown can end today if the Speaker would simply disengage the "Cruz control" and hold a vote on a clean bill. This is day 8 of the government shutdown. With the debt ceiling vote looming, this is the time for action, not talk.

You can't negotiate with a Republican Party stuck on "Cruz control" on something so basic as a clean bill to reopen our government. Unfortunately, my Republican colleagues have deter-

mined that fealty to extreme Tea Party groups is more important than the needs of the people they represent.

It's time to end the stubborn, unreasonable, and mean-spirited obsession with killing the Affordable Care Act. The Republican shutdown can end today if only the Speaker would allow a vote.

FALLEN HEROES AND FAMILIES ASSISTANCE ACT

(Mr. BARBER asked and was given permission to address the House for 1 minute.)

Mr. BARBER. Mr. Speaker, this weekend, our Nation lost five brave servicemembers in Afghanistan. Shortly after they were killed, their families were notified that our government would not pay their survivor benefits due to the shutdown. This is disgraceful and an outrage.

These servicemembers gave their lives in defense of our country. When they stepped up to defend our Nation, we promised that they and their families would be cared for. Now, due to the shutdown, we have broken and abandoned that sacred commitment.

Today, I am introducing the Fallen Heroes and Families Assistance Act, which will ensure that the promises we made to our fallen servicemembers are fulfilled. I urge its immediate consideration by the House. We must honor our commitments to our fallen heroes and their families.

ECONOMIC HARM OF THE SHUTDOWN

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, this Republican shutdown and their threats not to pay America's bills are not only reckless, but they're playing with economic fire. Their irresponsibility is burning the American people.

There are currently more than 800,000 Federal employees out of work, with thousands already filing for unemployment benefits because they've been furloughed by the GOP shutdown. These are working men and women who have to pay their bills, their mortgages, their car loans.

The Republican shutdown is harming the whole economy. The Dow Jones Industrial Average went down another 136 points yesterday and has been down nearly 200 points during the course of this Republican shutdown. It is currently at its lowest levels in a month.

Global markets continue to slide due to the uncertainty that the Republican shutdown has caused. According to news reports, it has already cost us over \$2 billion because of the shutdown, and it is hurting U.S. trade because inspections of imports and applications for exports can't be cleared by agencies like the EPA due to the fact that the staff in charge has been furloughed.

Mr. Speaker, it is well over time to bring up a clean continuing resolution

for a vote. End this needless Republican shutdown, which is not only hurting the American people, but the entire economy.

SBA GRINDS TO A HALT

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, the economic disruption caused by the Republican-orchestrated shutdown continues to mount. The negative impact on the lives of the American people and the loss of jobs and opportunities continues to rise.

As one example, in my home district of New York, the shutdown is hitting some small business owners really hard because it brought to an absolute halt any work of the Small Business Administration. On average, the Small Business Administration approves over 9 million loans in my district alone for small businesses each month, but because of this shutdown, zero. Zero are being approved—small business loans, real estate or equipment loans, and this has a terrible ripple effect on our economy.

It was bad enough that the majority would not bring a single meaningful jobs bill, infrastructure or transportation bill to the floor for a vote to create jobs; but now, this reckless, long-planned action to bring the work of the government to a halt, it is actively killing jobs, killing opportunity, killing hope.

Let's bring a clean budget up for a vote today and put people over politics.

DAY 8 OF THE FEDERAL GOVERNMENT SHUTDOWN

(Ms. HANABUSA asked and was given permission to address the House for 1 minute.)

Ms. HANABUSA. Mr. Speaker, day 8 of the shutdown of the Federal Government.

What do we know, Mr. Speaker?

We know, I, you and your majority wanted the shutdown, so you win. You have no plan to end this shutdown—that's obvious—and it's no longer about ObamaCare.

But what we don't know is, who do you want to punish?

It must only be the people of this great Nation. You pass bills for show only. You know that the Senate and the President will not cherry-pick among the departments, yet you continue to pass these bills. Yet, you won't let the House vote on a clean CR to open government.

Mr. Speaker, you tell us when you've made the people of this country suffer enough. You tell us when you're satisfied with the level of anxiety and pain that you have caused. At that time, maybe you'll let us vote the clean CR
